Mission Statement: Achieve academic excellence and intercultural competence through language immersion education

Agenda

Working Session

The architecture firm, Slater-Paull, will host a 'Visioning Exercise' for a new building for DLS. This exercise is meant to serve as a venue for all interested DLS stakeholders, including our DLS Board, to share their visions and preferences for a possible new building. The results from this visioning exercise will help us determine our next steps in our facilities conversation and help identify what we really want for our school building- both structurally and financially.

* People wishing to speak during the public comment session at the end of the board meeting need to sign up in advance with Ryan Hunter, board secretary at hunterr@yahoo.com. Public comments are limited to 3 minutes per person. The board does not publicly respond to comments.

There is no public comment at this board meeting since this is considered a working session.
